**A. D. COOPER,**  
**Groceries.**  
We presume Asheville has more comments passed upon it than any other city in the State. They say "Such elegant buildings, such fine houses, and such splendid food." Hotels, boarding houses and private families are often asked by their visitors "Where do you get your food to make such elegant bread?" "Why, at Cooper's, where the best of everything can be had in the way of Groceries." Our aim is to furnish the purest and best goods for the least money, to wage bitter war against all adulterations of food products and never buy cheap groceries for the purpose of selling below cost.

**A Scrap of Paper Saves Her Life.**  
It was just an ordinary scrap of wrapping paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, druggist, Fort Smith. Trial bottles of this wonderful Discovery Free at F. L. Jacobs' drugstore.

The courtship should always be steered for the port of matrimony.

"He most lives who thinks the most, Acts the noblest, feels the best, And he whose heart beats quickest Lives the longest, lives in one hour More than in years do some whose Fat blood sleeps as it slips along their veins."

These lines describe that condition of perfect health which all men and women wish to enjoy. To be able to think clearly, to incline to do noble acts, to live long and joyously, we must be free from the domination of disease. By taking Dr. Pierce's Golden Medical Discovery we may, by purifying the blood, escape consumption, general debility, and weakness, and all blood and skin diseases, and verify the truth of poetry as well as fact. It is guaranteed to cure in all cases of diseases for which it is recommended, or money paid for it will be refunded.
